LANGHORNE CREEK

2006 GENERATIONS SHIRAZ

WINE: Generations Shiraz

GRAPE VARIETY: 100% Shiraz

WINE REGION: Langhorne Creek

Alcohol: 14.5%

Preservative: (220) Added

TASTING NOTES:

Only the absolute best parcels of Shiraz fruit have been selected to produce this intensely flavoured and full bodied Shiraz wine.

Ripe plums and other dark berries are layered with licorice, pepper and fresh spices to create a complex wine which also finishes with lovely rounded tannins and subtle oak flavours.

A long term cellaring prospect until the year 2016 if so desired.
