WINE REGION: Langhorne Creek

Alcohol: 14.5% Preservative: (220) Added

TASTING NOTES:

Malbec is rarely seen as a varietal wine but in Langhorne Creek it performs well enough to earn its stripes as a wine standing on its own.

Showing vibrant primary fruit flavours of plums, red berries and spices when its in its youth it also finishes soft and round with velvety smooth tannins.

An ideal wine for immediate consumption.
