

FINE WINES FROM BURGUNDY

## DOMAINE BRUNO CLAIR

### Chambertin Clos de Bèze Grand Cru

Chambertin Clos de Bèze Grand cru 0,9802 ha - 2.42 acres

We have the privilege to farm this exceptional terroir. Two thirds of the plot were planted in 1912 and the remainder in 1972. Our plot extends upwards on the slope. The upper part, poorer and stony, gives an aromatic wine of great finesse whereas the lower part, richer and clayey brings power and richness. The vintage thus obtained makes the synthesis of these qualities combining finesse and power, richness and complexity. Wine for ageing.
