

FINE WINES FROM BURGUNDY

DOMAINE BRUNO CLAIR

Vosne-Romané Les Champs Perdrix

Vosne-Romanée les Champs Perdrix, 0,9255 ha - 2.28 acres

This lieu dit is located just above la Tâche and approximately 5 meters away. The soil of the Champs Perdrix is very poor and marly. It is difficult to work and the vines have needed more than 30 years to be properly established.

Back in 1993, the wines lacked sap and finesse, specific qualities of the wines of Vosne-Romanée. Today the wines are finer and well balanced. Already pleasant and elegant after 3 or 4 years in the bottle, they are easily stored for 10 years.
