

GAJA

CA'MARCANDA PROMIS

2006

Promis, from the Latin abbreviation, promissio, meaning promise truly lives up to its name. The grapes are grown in the terre brune (rich, dark soils) of the Ca'Marcanda vineyard. The soil consists primarily of loam and clay. The climate -- hot summer days, freshened by brisk sea air and cool nights -- is ideal for the grapes grown here.

COLOUR

Light garnet.

AROMA

Bright and fruity with a jammy nose.

TASTE

A delightful wine that combines the elegance and suppleness of Merlot and Syrah with the austerity of Sangiovese. Balanced, almost musical, it's a pleasure to drink from an early age and also has an aging potential of 5-8 years.

Item:

Toscana, I.G.T.

Grape Variety/Varieties

55% Merlot, 35% Syrah,
10% Sangiovese

Alcohol Level:

14.5%

Length/Type of Fermentation:

The three varieties are fermented separately and then blended in January or February after harvest.

Length/Type of Aging:

18 months in new and slightly used barriques followed by several months of bottle aging.
