2006 LOUIS Freycinet Chardonnay

100% Tasmanian Wine

Winemaker's Comments

Freycinet Vineyard was established in 1980 by Geoffrey & Susan Bull. It is situated on Tasmania's East Coast adjacent to the picturesque 'Freycinet Peninsula' which is named in honour of the French explorer Louis Freycinet who charted the region in 1802.

2006 Louis Chardonnay is hand crafted in the Freycinet vineyard and winery. It showcases beautiful cool climate chardonnay fruit characters without oak influence in a soft easy drinking style.

The wine features fresh citrus/melon aromas following on to a ripe juicy palate of grapefruit, melon and peach flavours.

Thoroughly enjoyable as a young wine for any occasion.
