

Winemaker's Notes

2008 LOUIS Chardonnay

100% Tasmanian Wine

Winemaker's Comments

The Freycinet 'Louis' Range of wines showcase excellent cool climate varietal fruit characters in soft, easy drinking styles.

Golden Chardonnay fruit from the Louis vineyard is cool fermented in tanks followed by extended lees contact prior to bottling. By not utilizing the Burgundy techniques of fermentation in oak casks, this wine highlights the pure Chardonnay aromas and delicious flavours of stone, citrus and melon fruits.

The mouth-filling, smooth, fruit-salad flavours are harmoniously balanced by a refreshing crisp long finish.

Thoroughly enjoyable as a young wine for any occasion.

Winemaker: Claudio Radenti
