Comment Delicate, floral nose, lovely sweetness with a mouth-drying finish. With the lower acids in 2007, this Spätlese shows more weight and a subtle texture without losing its elegance. It is very enjoyable now, youthful, fresh and a pure expression of Riesling. As it ages it will mature into a more complex wine with less obvious sweetness.

Short description Delicate, low alcohol Riesling, very elegant with lovely sweetness and a mouth-drying finish. (May 2008)
