Comment	This is classic Spätlese Riesling, pale yellow in colour with intensely fragrant aromas of ripe apple, honey and hints of stone fruit on the nose, followed by a light, yet crisp and explosive palate. The wine has impeccable balance between acid, pH and residual sweetness, pristine purity of fruit and a clean racy finish. Enjoyable now for its exuberant youthfulness. However to appreciate the full flavour profile of this wine we recommend another 6 – 12 months of bottle ageing.
Short description	Classic Spätlese Riesling showing intensely fragrant apple, honey and stone fruit aromas, great acid/sweetness balance and a clean, racy finish. (January2006)
