

KOORYONG

2007 HAVEN PINOT NOIR

VINEYARD	Kooyong is located on the Mornington Peninsula at Tuerong and focuses on producing Pinot Noir and Chardonnay wine; which are both suited to the Peninsula's cool maritime climate. Kooyong is a 'domain' in the true sense of the word and the wines are made from 100% estate grown fruit at its own on-site winery.
VINTAGE	The 2007 vintage was one of the earliest on record. The vintage was similar to 2006, but with lower yields and more tannic reds. Overall it was a good vintage resulting in well structured wines.
VITICULTURE	Site 100% estate grown Vine Age 13 years at time of harvest Trellis Vertical Shoot Position (VSP)
WINEMAKING	100% destemmed and fermented in open vats without inoculation. Matured for 18 months in French oak (30% new)
ALCOHOL	13.5 % vol
COLOR	Dark crimson.
BOUQUET	Lovely pure and expressive nose, with lots of fresh fruit, rhubarb, red berries, redcurrants, violets, satsuma plums. Fragrant through to the finish.
PALATE	On the palate it is very elegant and silky, balanced and harmonious, not over extracted or dense. True Pinosity with a lightness of touch. The palate feels lighter than previous Havens, with slightly more red fruit than black. Oak again is imperceptible. There is a hint of meatiness, but fresh red fruit dominates. The acid is crisp, even bracing at this early age, but there is delicacy of fruit, elegance, balance and cool fruit to suggest it will be lovely in a couple of years.
CELLARING	With careful cellaring, this wine has very good potential for ageing.
