

KOORYONG

2007 MASSALE BY KOORYONG

VINEYARD	Kooyong is located on the Mornington Peninsula at Tuerong and focuses on producing Pinot Noir and Chardonnay wine; which are both suited to the Peninsula's cool maritime climate.
VINTAGE	The 2007 vintage was one of the earliest on record. The vintage was similar to 2006, but with lower yields and more tannic reds. Overall it was a good vintage resulting in well structured wines.
VITICULTURE	Estate grown fruit is now supplemented by specially selected purchased parcels of fruit. The trellis type is Vertical Shoot Position (VSP).
WINEMAKING	100% destemmed and fermented in open vats without inoculation. Matured for 12 months in French oak (15% new)
ALCOHOL	13.0% Alcohol
COLOR	Vibrant ruby red
BOUQUET	Juicy forest berries with perfumed notes and supporting savoury characters.
PALATE	A well structured palate supported by persistent acidity and tannin. This wine shows richness and depth supported by juicy forest fruits. An elegant wine which is both approachable when young and showing potential for further improvement with age.
CELLARING	With careful cellaring, this wine has good potential for ageing.
