

# KOORYONG

## 2007 PINOT NOIR

---

<b>VINEYARD</b>	Kooyong is located on the Mornington Peninsula at Tuerong and focuses on producing Pinot Noir and Chardonnay wine; which are both suited to the Peninsula's cool maritime climate. Kooyong is a 'domain' in the true sense of the word and the wines are made from 100% estate grown fruit at its own on-site winery.
<b>VINTAGE</b>	The 2007 vintage was one of the earliest on record. The vintage was similar to 2006, but with lower yields and more tannic reds. Overall it was a good vintage resulting in well structured wines.
<b>VITICULTURE</b>	Site                    100% estate grown Vine Age            13 years at time of harvest – mix of 6 clones Trellis                Vertical Shoot Position (VSP)
<b>WINEMAKING</b>	100% destemmed and fermented in open vats without inoculation. Matured for 18 months in French oak (30% new)
<b>ALCOHOL</b>	13.0 % vol
<b>COLOR</b>	Vibrant ruby red
<b>BOUQUET</b>	Bright raspberry and cherry notes.
<b>PALATE</b>	A rich, powerful, and complex palate. The richness and generosity are balanced by firm tannins that are typical of 2007, and a hint of rhubarb and a mineral (graphite) edge adds further interest on the finish. This has the density of fruit and the structure to age extremely well.
<b>CELLARING</b>	With careful cellaring, this wine has very good potential for ageing.
